

About Automatic Data Processing Insurance Agency, Inc.

Since 1992, Automatic Data Processing Insurance Agency, Inc. (ADPIA) has worked hard to become the agency of choice for your Health Benefits and Property & Casualty insurance needs.

As an ADP, LLC affiliated company, ADPIA can assist your business with these services and more. Our licensed agents are uniquely positioned to understand your business objectives and help simplify the process of finding and implementing the proper insurance coverage that are both affordable and appealing.

What we offer:

With a wide menu of insurance options and integration of premium payments with ADP payroll services, we offer everything you need, whether you're just starting out your business or re-evaluating your coverage needs.³

Property & Casualty

- Workers' Compensation
- Business Owner's Policy (BOP)¹
- Commercial Auto Insurance
- Umbrella Policy
- NY Disability Insurance

Health Benefits

- Medical Insurance
- Dental Insurance
- Vision Insurance
- Life Insurance
- Short & Long-term Disability
- ADP's Premium Only Plan²

We can integrate your ADP payroll with our insurance products to simplify administrative burdens while providing other service options and world class service to businesses just like yours¹.

With over 300 licensed agents available to serve you, we have the knowledge to help you make the right decisions today, and as your business changes. Our goal is to be there every step of the way, building relationships you can count on and delivering a unique service experience – one that helps you optimize your company's investment all year long.

Take the next step. Connect with ADPIA.

¹Available with select carriers and in select markets.

²Participants can save on federal income taxes, state income taxes in most states, and Social Security/Medicare (FICA) taxes. Employers can save on the matching portion of FICA taxes and federal unemployment taxes and on state unemployment taxes in many states. State income tax rules vary by state. Check with your tax advisor or CPA to see how your state treats a POP.

³Only available with certain Property & Casualty products.
