

The Winning Combination

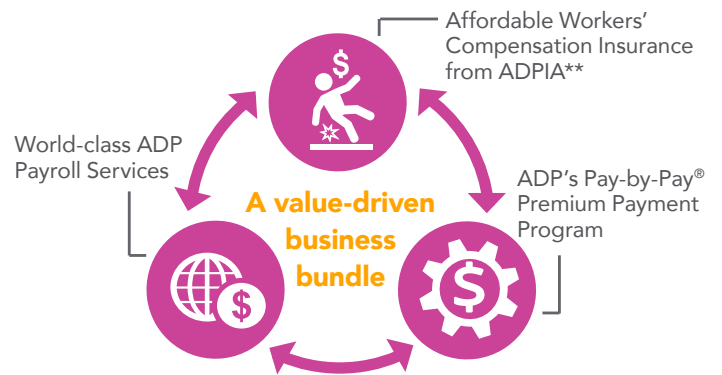

This year, chances are you'll need to purchase a new workers' compensation insurance policy, or renew the one you have. And when you do, you'll want a complete, integrated and affordable solution that:

- Helps manage your workers' compensation insurance premium payments more effectively
- Integrates with your payroll
- Increases your control over cash flow
- Reduces your administrative time

The Winning Combination

ADP and Automatic Data Processing Insurance Agency, Inc.

Connect your workers' compensation insurance premium payments and payroll via ADP's Pay-by-Pay® Premium Payment Program and you'll enjoy:

- **Network of carriers** — We've built relationships with leading national & regional carriers to give you a broad array of worker's compensation coverage options.
- **More accurate premium payments** — Insurance premiums are based on your actual payroll and carrier rates, not estimates.
- **Convenient automatic deductions** — No writing checks equals less risk of a late payment that could put your coverage in jeopardy.
- **Freed-up operating capital** — Instead of a large deposit up front, premium payments are spread across your payroll cycle.*
- **Efficiency through integration** — Working with ADP for payroll and ADPIA for workers' compensation insurance can offer improved accuracy, reduced risk of late premium payments, and less time spent on administrative tasks.
- **Knowledgeable, licensed and responsive support** — We've helped over 120,000 businesses find the insurance fit for their needs.
