

Disasters come and go.
Successful businesses shouldn't.

With the reality of property damage, bodily injury, or other risks harming your business, having the right property and casualty coverage can offer needed protection.

AUTOMATIC DATA PROCESSING INSURANCE AGENCY, INC. (ADPIA) can connect you to a variety of insurance offerings and help you select the right coverage for your business — simply and easily.

ADPIA can connect your business to:

Workers' Compensation Insurance

Meet state requirements* by providing coverage for your employees who may become injured on the job.

Business Owner's Policy Insurance

Combine both property and liability insurance into a broader, more affordable policy.

Commercial Auto Insurance

Help protect you and your company against third-party claims for vehicular property damage or bodily injury.

Umbrella Policies

Supplement your existing insurance policy's general liability, auto liability and employers' liability limits.

NY Disability Insurance

Provide temporary cash benefits to eligible wage earners when they are disabled by an off-the-job illness or injury.
